Accessible Design

Accessible customer interface includes a Braille display

Ideal for Most Indoor Environments

Operates in temperatures from 4° C to 38° C

Supports a Wide Range of User ID

Choose from barcode, magnetic stripe, proximity card or keypad entry

Optional Front and Side Skirts

Provides a more streamlined appearance

* Shown with optional skirt

- **Offer e-commerce order collection and returns**

Gain a powerful competitive advantage by giving customers convenient order collection and returns with no waiting.

- **Get real-time visibility and insights**

Trajectory Cloud™ unifies your POS, e-commerce, loyalty programmes and ERP systems to provide an integrated view of your enterprise. View customers across all channels and inventory across your organisation. Visualise, track and share insights, trends and optimisation opportunities.

- **Control essential supplies and inventory**

Keep supplies stocked and secure, and always know who's using what, when and where.

- **Create a dazzling brand experience**

Get creative with optional brilliant colours and graphics to reinforce your brand and stand out in any environment.

NEW EXPANDED COMPARTMENT OPTIONS

Choose from five compartment sizes and multiple configurations to enhance order fulfillment.

Trajectory Cloud™ Real-Time Visibility and Control

Get a single, unified transaction platform to track, manage and report your business from anywhere. See parcel collection/drop-off times, compartment usage trends and more.

Apex Connect n' Go™ Technology Makes It Easy to Implement

All Apex devices are easy-to-use Internet appliances (MS Windows-free). They're powered by our Connect n' Go™ Technology, so you simply plug the device into a power supply, connect to the Internet and you're ready to go.

Every **Thing** is Possible.

Easy to Use. Easy to Implement. Easy to Afford.

For more information about the Apex AXCESS™ 6700 Series, visit ApexSupplyChain.com/gb, email us at info.eu@apexsupplychain.com or call 0800 840 4776 or +44 (0)1905 388 194 to visit our Technology Centre.
