Trajectory Cloud™: Real-Time Multi-Channel Insights

Get a unified transaction platform to track, manage, analyse and report your business from anywhere. It easily integrates and connects your existing POS, e-commerce, and ERP systems to give you an enterprise-wide view in real time.

Apex Connect n' Go™ Technology Makes It Easy to Implement

All Apex devices are easy-to-use Internet appliances (MS Windows-free). They're powered by our Connect n' Go™ Technology, so you simply plug the device into a power supply, connect to the Internet and you're ready to go.

Standard colours are grey and black. Optional private branding and custom colours available.

Easy to Use. Easy to Implement. Easy to Afford.
